

GEOLOGICAL MAP

ALONG

BLACKSTONE, BRAZEAU AND PEMBINA RIVERS

FOOTHILLS BELT, ALBERTA

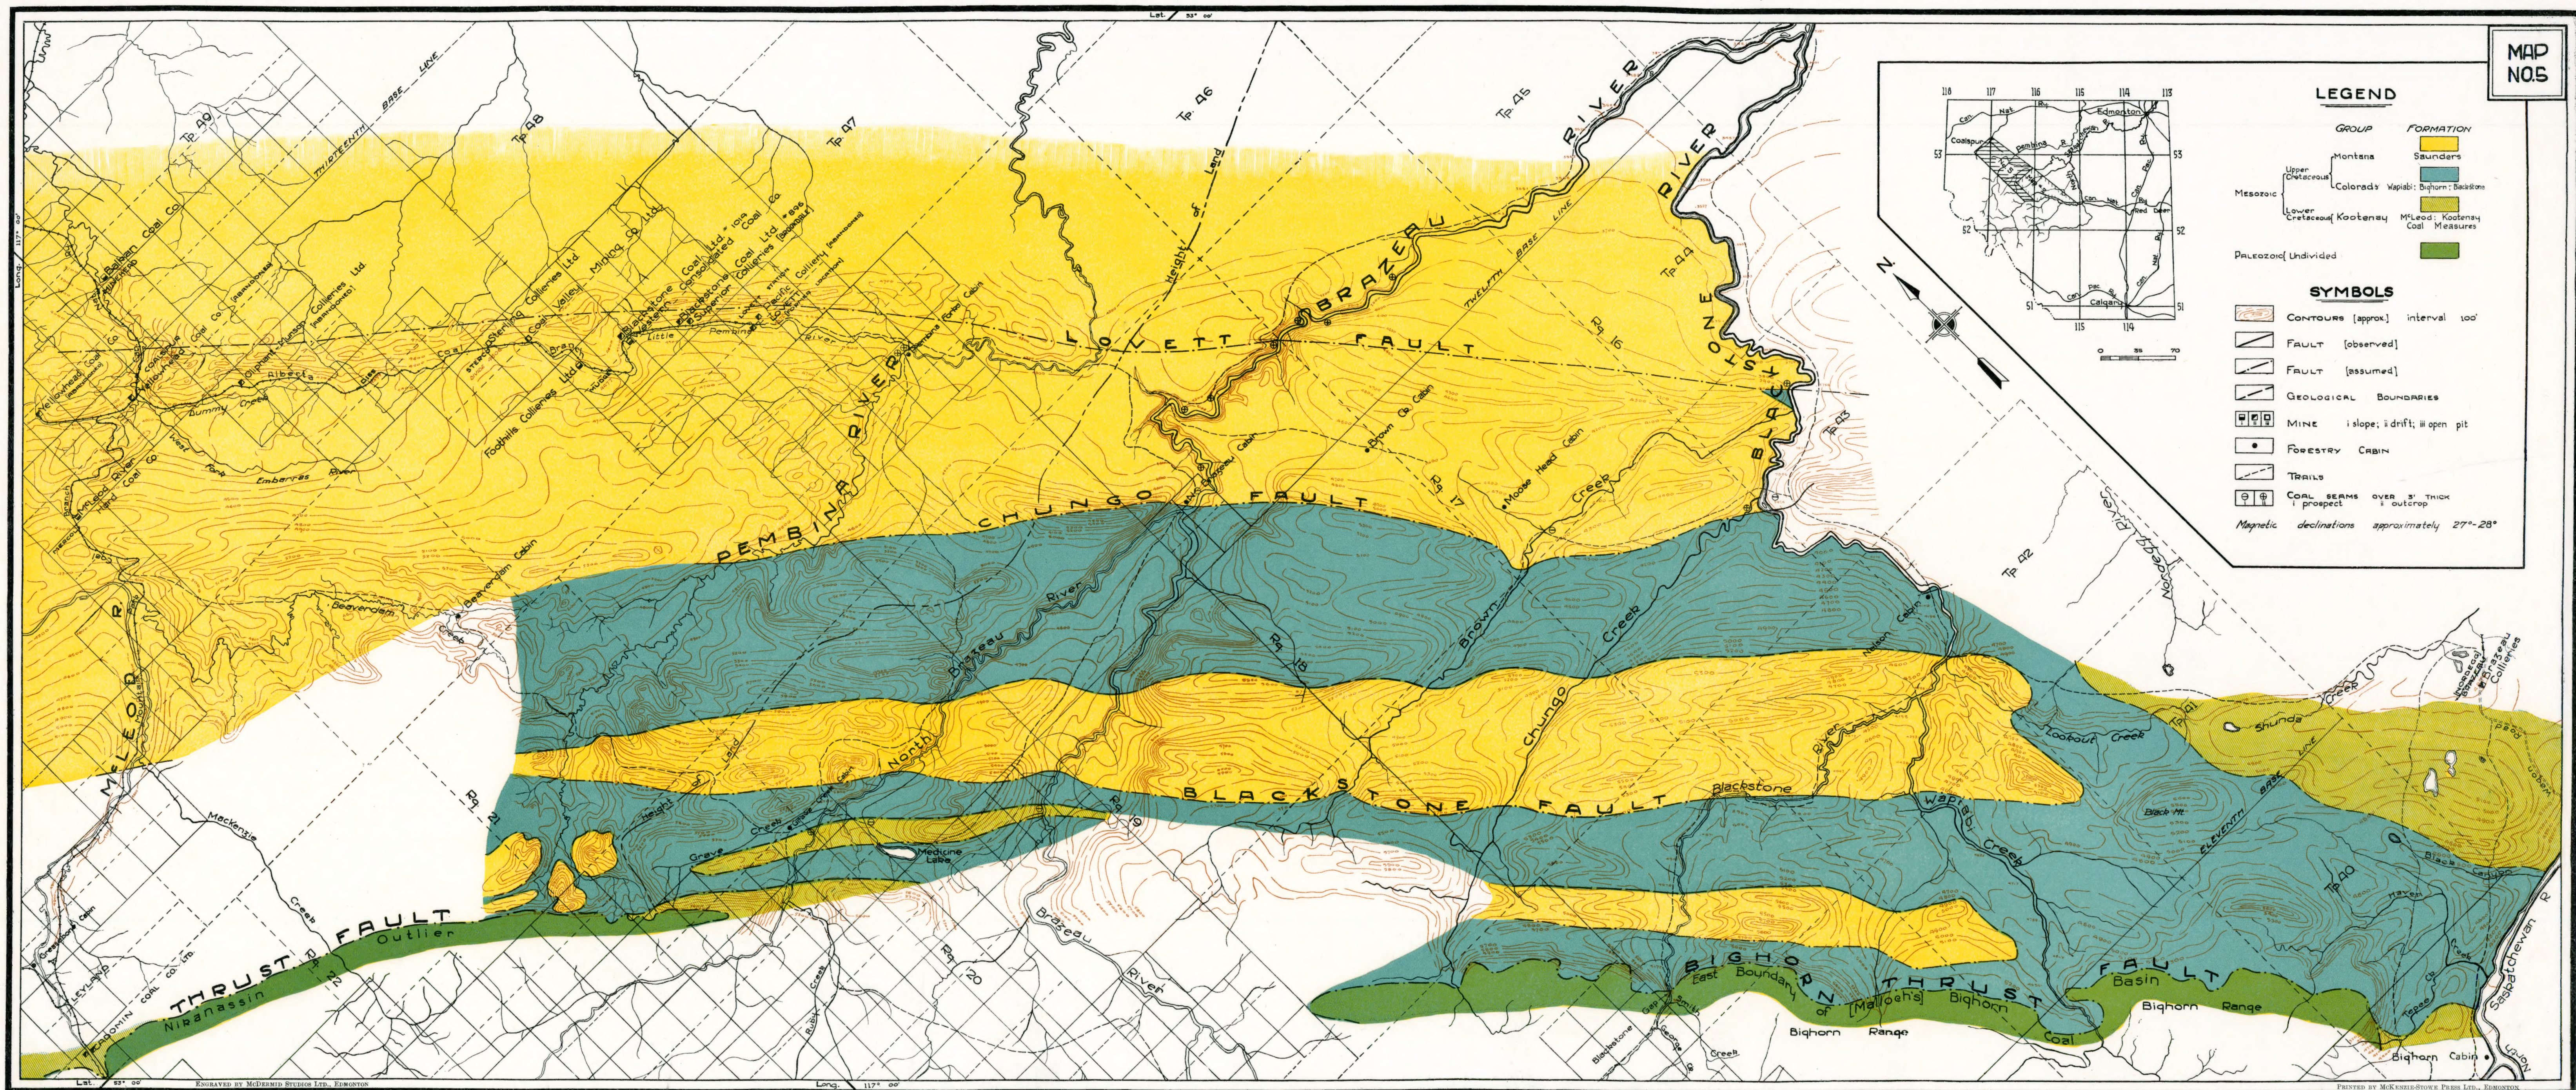

BY

JOHN A. ALLAN and R. L. RUTHERFORD

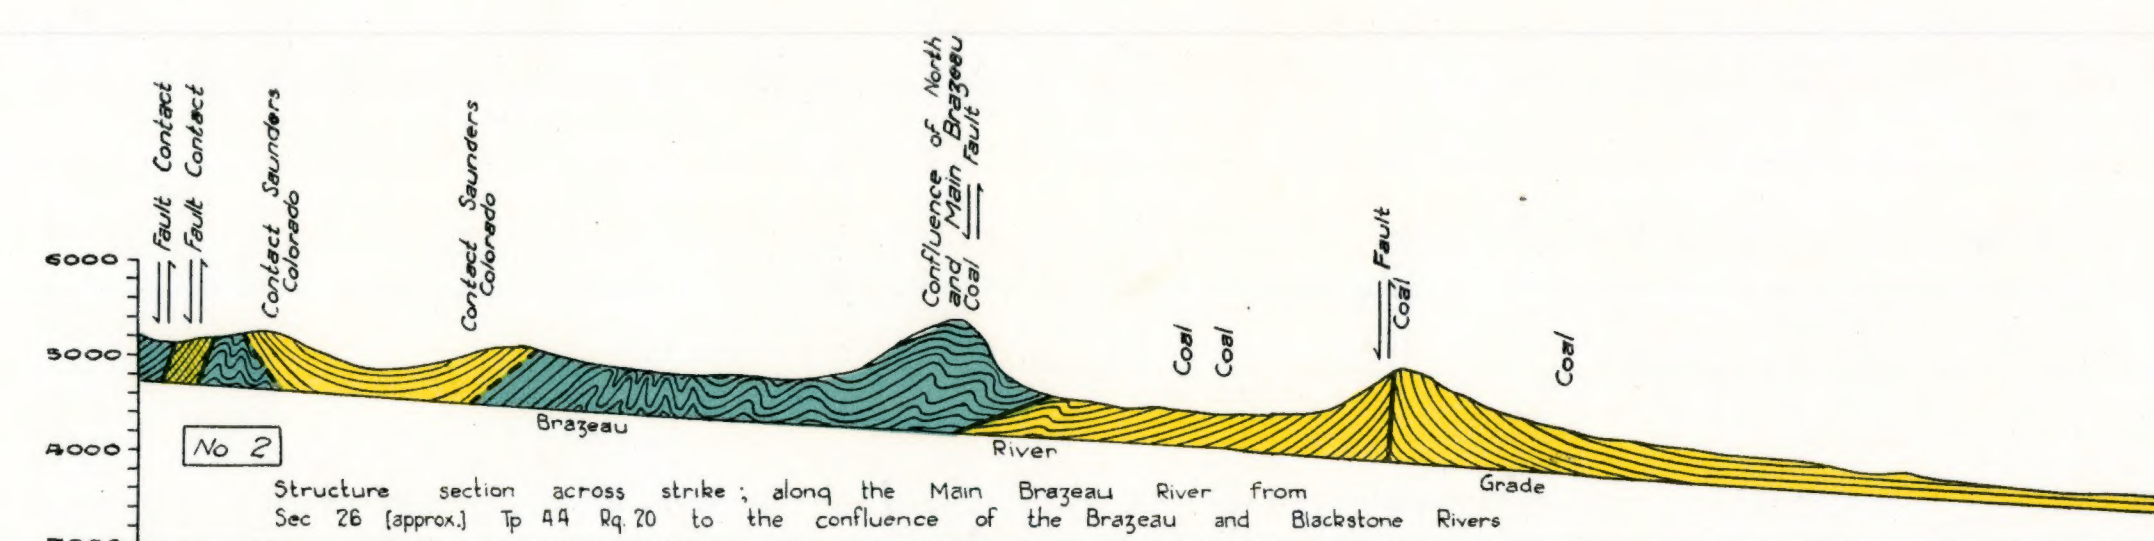

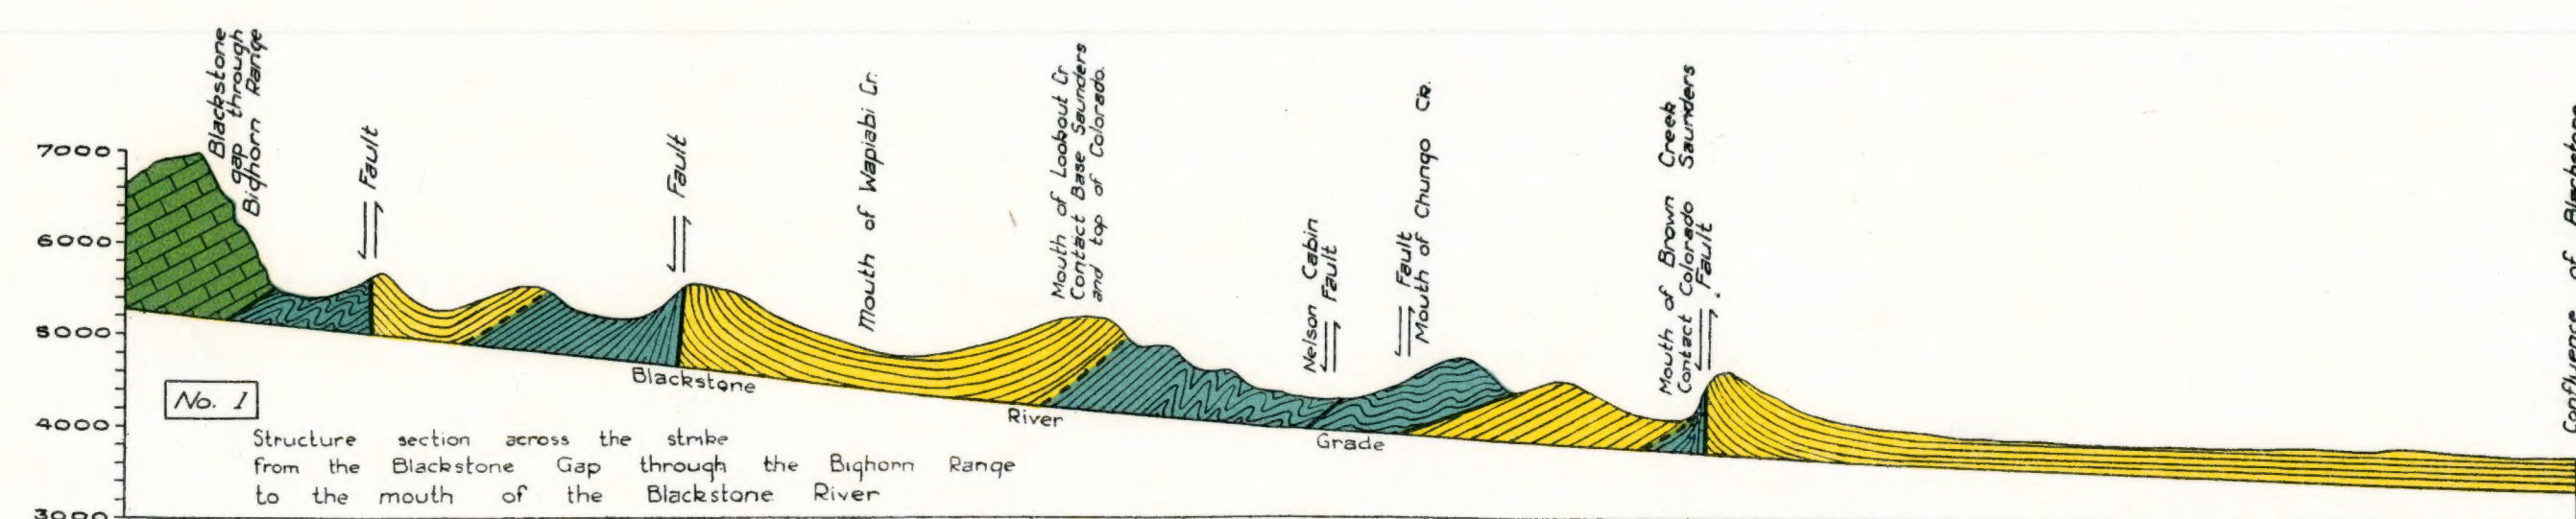

Scale 1 : 126,720 or 1 inch to 2 miles

ISSUED BY
Scientific and Industrial Research Council of Alberta
HONORABLE HERBERT GREENFIELD, Chairman
1924

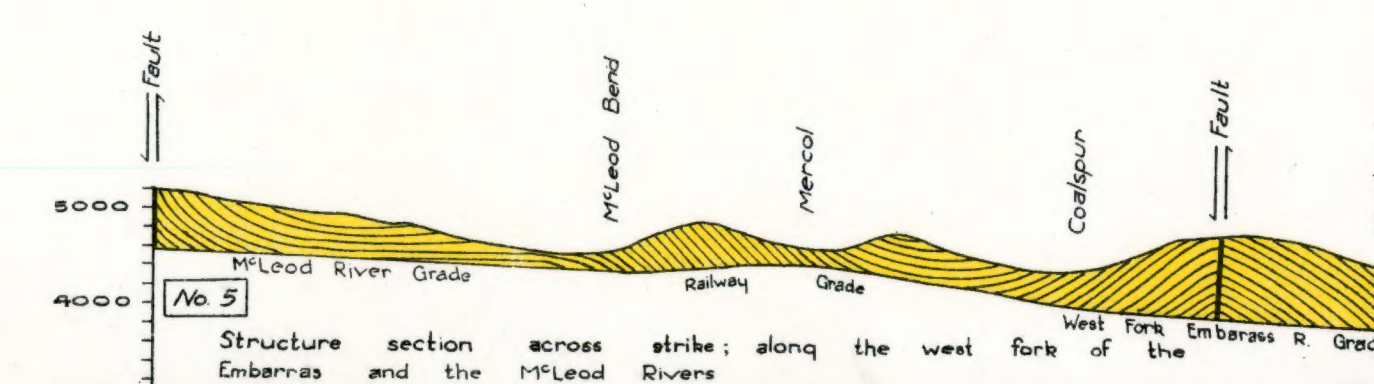

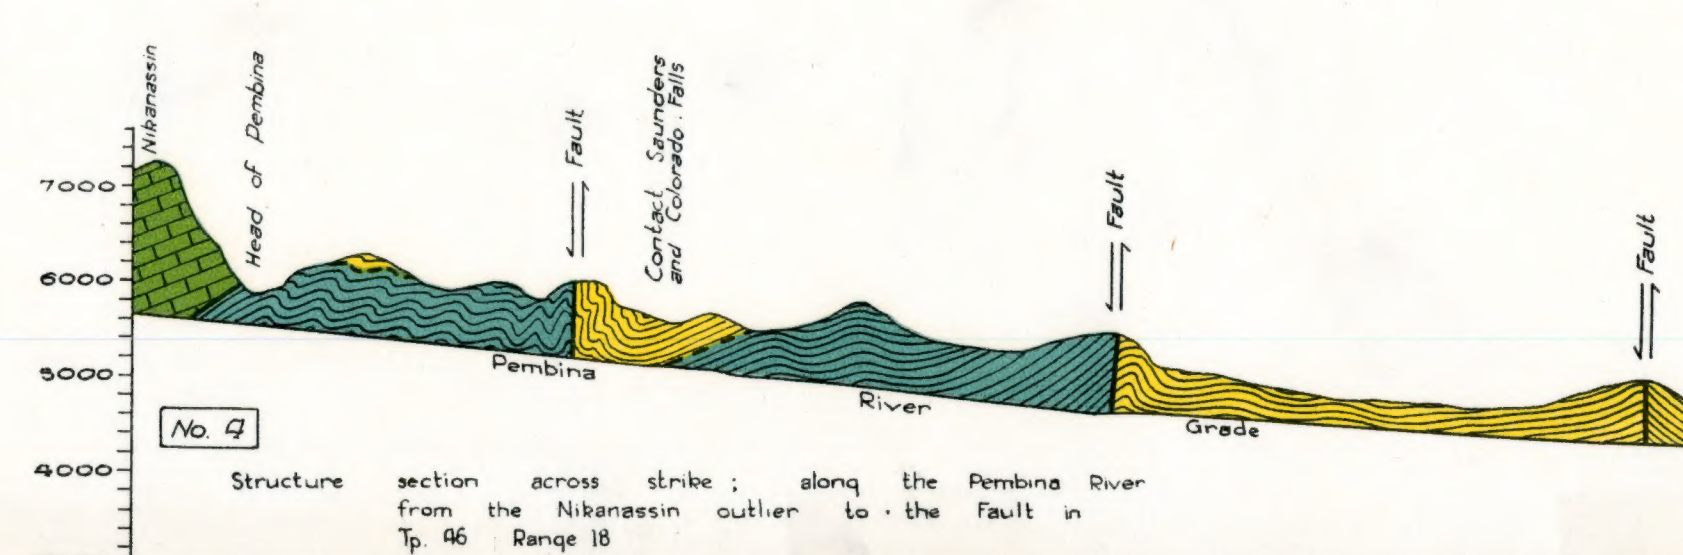

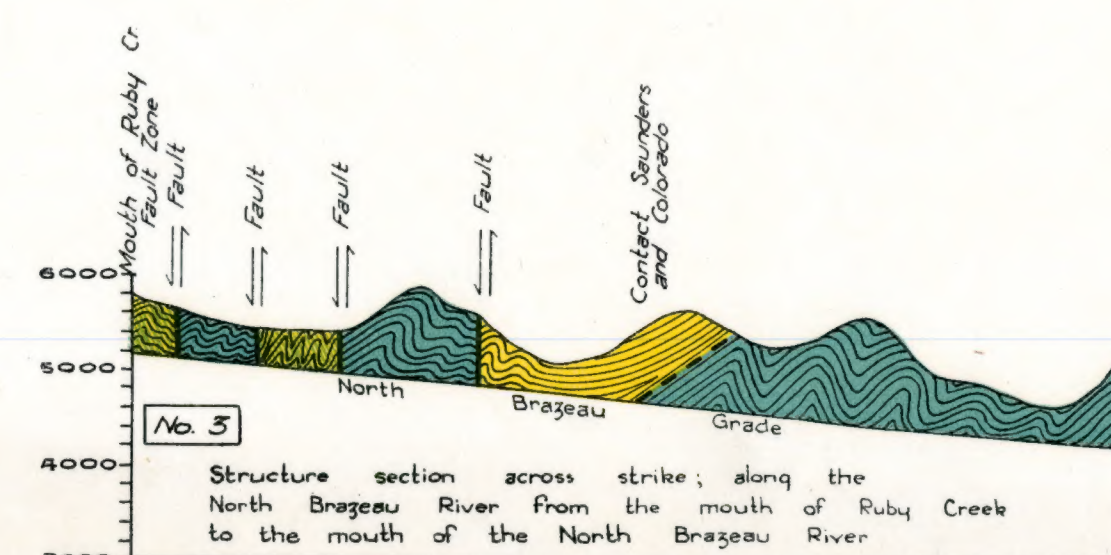

To accompany Report No. 9,
by J. A. ALLAN and R. L. RUTHERFORD.

Base Map compiled from Surveys by Dominion Forestry Branch and Topographical Survey Branch.
Topography sketched in interstream areas and from river surveys.
Geology—1923.

ERRATUM

By an error in drafting, all the arrow signs on the profile sections, except the most westerly one in No. 2, and the second from the west in No. 2 section, show relative movement in the wrong direction.
